Arriving by train

TGV Paris-Grenoble : 3 hours

You can consult the [SNCF](#).

page. For more details about connections or if you come from a town abroad, consult the [DB page](#).

Join IBS from the bus and railway station

Bus number 34 ("Polygone Scientifique" or "Sassenage chateau") takes you from the bus and railway station, to the Polygone Scientifique.

Bus-stop "place de la Résistance" or "Polygone Scientifique", then follow signs for IBS.

The journey takes about 10 minutes, and there is a bus every 8 to 11 minutes throughout the day from 5:30 a.m. to 8:47 p.m.

Tickets can be purchased singly from the bus driver or in a booklet ("carnet") at tobacconists and at major tram stops.

For more information about the bus in Grenoble:

- Consult the ([Tag](#))web page (in french only)

Arriving by plane

Your plane arrives at [Lyon-Saint Exupery airport](#)

Regular buses (Satobus) ensure the connection with the Grenoble bus station. The journey takes about 1

hour. [Timetables and prices](#) (download the Grenoble timetables - in french only).

When boarding at the airport, tell the Satobus driver that you want to be dropped off at "Place de la Resistance", it will avoid you to as far as the Grenoble bus station and come back by bus 34. On your way back to the airport, be sure to use the bus stop marked 'Satobus' on the roundabout and not the bus stop 'Place de la Resistance' (n°34).
